A full moon is visible in the upper center of the frame, set against a soft, pinkish-orange sky. Below the sky, a layer of white, fluffy clouds stretches across the horizon. In the foreground, the surface of a body of water is visible, with small, dark islands or landmasses scattered across the horizon line.

cotton blends

Versatile, practical and made to perform, our cotton blends are practical yet fun. These colourful yarns can form the basis of any spring summer collection. To adapt to a more busy and active lifestyle we have provided longevity to garments through using advancements in technology without compromising the superior quality of look or handfeel, creating a range of multifunctional all-round yarns.

Novetex. Committed to sustainability.
