Committed to Sustainability

All Autumn Winter Machine Washable qualities are approved by AATCC.

All qualities with recycled fibres, lenzing material, organic cotton, RWS wool are subjected to limited supply. Colours may vary from colour cards swatches and different dye lots.

Colours with sharing colour tabs are subjected to colour variation.

Each season our colours may vary, to guarantee your expectations, please advise our latest shade card.

Please contact us if you have any queries: ntx@novetex.com

FINE MERINO

Our fine merino yarn collection, ranging from woollen to semi-worsted, is spun with care and expertise. A wide selection of the latest trending colours to classic, timeless shades in our modernised signature blends and twists is available for selection. Engineered to be more quintessential and wearable, our fine merino blends are lightweight, adaptable, and incredibly soft.

Sourcing ethical and responsible fibres are of utmost importance to us, especially animals' welfare for our certified responsible merino wool. From material to design, together, we can shift the industry to be more mindful and sustainable.
