Committed to Sustainability

All Spring Summer Machine Washable qualities are approved by AATCC.

All qualities with pre-consumer or post-consumer recycled fibers are subjected to limited supply. Colours may vary from colour cards swatches and different dye lots.

Each season our colours may vary, to guarantee your expectations, please advise our latest shade card.

PURE COTTON

Our pure cotton collection uses BCI and SUPIMA® cotton fibres to create premium quality yarns that are soft, fine and natural, providing a balance of bright and fresh trend colours for the season. Exploring both textured and dimensional looks, with twisting and colour effects, our pure cotton collection offers chunky yarns that are crafted with authenticity.

Novetex. Committed to sustainability.
