Committed to Sustainability

All Autumn Winter Machine Washable qualities are approved by AATCC.

All qualities with recycled fibres, lenzing material, organic cotton, RWS wool are subjected to limited supply. Colours may vary from colour cards swatches and different dye lots.

Colours with sharing colour tabs are subjected to colour variation.

Each season our colours may vary, to guarantee your expectations, please advise our latest shade card.

Please contact us if you have any queries: ntx@novetex.com

CASUAL MERINO

Our casual merino explores from the chunky to mid-gauge emulating, textured, and dimensional textural looks that are more rugged, shaping authenticity with a depth of colour that goes beyond just the surface. Combining the properties of wool and unique nep effects, blend, twist, and a spongy handle, creates an artisanal collection of blends. Our casual merino range will keep you warm without compromising the deluxe, and distinctive design for bulkier/novelty gauged yarns.

We foresee the effort in fostering change in the textile system towards ecological integrity and social justice, offering superior sustainable wool with ultimate respect for the precious and beautiful environment.
