AW 22 / 23

Committed to Sustainability

All Autumn Winter Machine Washable qualities are approved by AATCC.

All qualities with recycled fibres, lenzing material, organic cotton, RWS wool are subjected to limited supply. Colours may vary from colour cards swatches and different dye lots.

Colours with sharing colour tabs are subjected to colour variation.

Each season our colours may vary, to guarantee your expectations, please advise our latest shade card.

Please contact us if you have any queries: ntx@novetex.com

NOVETEX

AW 22/23

LUXURY FUSION

Sustainable business best practices are an integral part of Novetex. We foresee the effort to foster change in the textile system towards ecological integrity and social justice, offering superior sustainable luxury yarn, design, colour with ultimate respect for our precious environment and animal welfare. Our priority is to provide a personalised service, offering customisation of colour from our versatile dye house and stock service. Circular textile/ Circular economy is one of the key focuses of Novetex, which promotes a mindset change for different tiers within the supply chain to make a difference for the industry. Simultaneously integrating our sustainable mission and vision while meeting global trends in fashion and colour to tailor unique ideas without restrictions is of the utmost importance. We constantly strive for continuous improvement in advancing our sustainable practices; we hope you can join us on this ongoing journey of improvement.

Novetex – Committed to Sustainability

LUXURY FUSION

Elegantly soft and fluidly, our luxury fusion collection ranges premium natural and regenerated fibres to affordable yarn counts in sophisticated colours ideal for premium knitwear. These fibres add comfort and versatility to knitwear pieces for longevity and contemporary characteristics.

We believe that sustainable yarns and processes have their own niche market of which are both relevant to our more luxury range.

Novetex – Committed to Sustainability
