Committed to Sustainability

All Autumn Winter Machine Washable qualities are approved by AATCC.

All qualities with recycled fibres, lenzing material, organic cotton, RWS wool are subjected to limited supply. Colours may vary from colour cards swatches and different dye lots.

Colours with sharing colour tabs are subjected to colour variation.

Each season our colours may vary, to guarantee your expectations, please advise our latest shade card.

blended cotton

Our soft cotton is expertly blended with our merino wool, creating a refined collection of practical, fresh, and comfortable transeasonal yarn composition and counts. We are showcasing an immense variety of solid and heathered colours using responsible dyes. The colourful palette presents versatility with an excellent design for easy-to-wear garments. Our collection includes sustainable fiber blended yarns to encourage sustainable sourcing for the industry to pursue change for the better. Responsible sourcing contributes to minimising the environmental impact; together and globally, we can systematically shift to sustainable choices to change the industry.
