blended cotton

Our soft cotton is expertly blended with our merino wool, creating a refined collection of practical, fresh, and comfortable transeasonal yarn composition and counts. We are showcasing an immense variety of solid and heathered colours using responsible dyes. The colourful palette presents versatility with an excellent design for easy-to-wear garments. Our collection includes sustainable fiber blended yarns to encourage sustainable sourcing for the industry to pursue change for the better. Responsible sourcing contributes to minimising the environmental impact; together and globally, we can systematically shift to sustainable choices to change the industry.
