## Committed to Sustainability

All Autumn Winter Machine Washable qualities are approved by AATCC.

All qualities with recycled fibers, lenzing material, organic cotton, RWS fibers and SFA cashmere are subjected to limited supply.  
Colours may vary from colour cards swatches and different dye lots.

Colours with sharing tabs are subjected to colour variation.

Each season our colours may vary, to guarantee your expectations, please advise our latest shade card.

# recycle

Our recycled collection ranges regenerative to premium and affordable eco-friendly fibres in classic colours and a variety of yarn counts ideal for quality knitwear. These fibres add comfort to the wearer and achieve contemporary characteristics while being environmentally-conscious. We believe sustainable yarns and practices not only diverts products from landfills but gives them a second life.
