# super soft merino

Our signature collection of lambswool and lambswool blends in a wide range of yarn counts and colours is beautifully crafted. A collection perfect for mid-gauge soft and durable knitwear. We have carefully selected and combined tailored these fibres for added comfort, adaptability, and long-lasting pieces.

We recognise the systemic change needed within the textiles industry. We are constantly researching and developing to integrate more fully certified sustainable lambswool blends/options to provide an environmentally responsible solution.
