pure cotton

The logo consists of the letters 'SS' in a large, bold, red font, followed by the number '25' in a smaller, red font. The 'SS' and '25' are stylized with horizontal lines through them, giving them a textured, fabric-like appearance.

Our pure cotton collection uses BCI and SUPIMA® cotton fibres to create premium quality yarns that are soft, fine and natural, providing a balance of bright and fresh trend colours for the season. Exploring both textured and dimensional looks, with twisting and colour effects, our pure cotton collection offers yarns that are crafted with authenticity.
