NOVETEX

S.C.C.

Sustainable Customize Choice

Novetex is committed to sustainability,
we aspire to be one of the top destinations for the best sustainable yarn product.
We believe sustainable yarns and practices not only divert products from landfills but build tomorrow's new green environment and innovations with a circular economy.

Novetex is proud to introduce Sustainable Customize Choice - S.C.C., a fully customized platform for helping clients innovate to sustainability.

S.C.C embraces the key sustainable qualities for selection, clients reserve 100% rights to customize their distinctive sustainable choice. Engage with us to a more sustainable future.

Committed to Sustainability

All Autumn Winter Machine Washable qualities are approved by AATCC.

All qualities with Organic cotton, RWS/RAS fibers, GCS/SFA cashmere and Recycled fibers are subjected to limited supply.
Colours may vary from colour cards swatches and different dye lots.

Colours with sharing tabs are subjected to colour variation.

Each season our colours may vary, to guarantee your expectations, please advise our latest shade card.

Please contact us if you have any queries: ntx@novetex.com

EXTRA FINE MERINO

Lustrously soft with exceptional hand-feel, our extra fine merino is a diverse range of woolen mid-gauged extra fine merino wool for soft and durable knitwear. We have carefully selected and combined tailored these fibres for added comfort, adaptability, and long-lasting pieces. Sourcing ethical and responsible fibres are of utmost importance to us, especially animals' welfare for our certified responsible merino wool.

From material to design, together, we can shift the industry to be more mindful and sustainable.

Novetex – Committed to Sustainability
