NOVETEX

S.C.C.

Sustainable Customize Choice

Novetex is committed to sustainability,
we aspire to be one of the top destinations for the best sustainable yarn product.
We believe sustainable yarns and practices not only divert products from landfills but build tomorrow's new green environment and innovations with a circular economy.

Novetex is proud to introduce Sustainable Customize Choice - S.C.C., a fully customized platform for helping clients innovate to sustainability.

S.C.C embraces the key sustainable qualities for selection, clients reserve 100% rights to customize their distinctive sustainable choice. Engage with us to a more sustainable future.

SS26 SUSTAINABLE & FUNCTIONAL

Committed to Sustainability

All Spring Summer Machine Washable qualities are approved by AATCC.

All qualities with Organic cotton, Supima, Smartcel, GCS/SFA cashmere and Recycled fibers are subjected to limited supply.
Colours may vary from colour cards swatches and different dye lots.

Colours with sharing tabs are subjected to colour variation.

Each season our colours may vary, to guarantee your expectations, please advise our latest shade card.

Please contact us if you have any queries: ntx@novetex.com

SUSTAINABLE & FUNCTIONAL

The sustainable and functional collection fuses premium sustainable and functional yarns delivering high performances of insulation to moisture wicking whilst blended with fibres made from organic cotton, recycled polyester to traceable regenerative wood and pulp fibre. Additionally spun with supreme natural fibres to present a collection of soft and luxurious finishing of yarns . We believe sustainable yarns and practices not only diverts products from landfills but help those to achieve a circular economy.

Novetex - Committed to Sustainability
